## Can-Do Cabs.

*Efficiency. Comfort. Productivity*

Cozy Cabs are designed and built to fit your John Deere machine. Easy, efficient installation and a comfortable interior lead to increased productivity. The all-steel welded construction stands up to the elements, so you don't have to. Tractor cabs for the X700 Signature Series provide 360° all-around visibility and are ROPS certified for increased safety protection.

### The Cozy Cab Difference.

Cozy Cab was born from an idea that aftermarket cabs, sunshades, and accessories should integrate with your tractor in fit, look, and function. Designed and built with quality, Cozy Cab products place a premium on efficiency, comfort, and productivity. Installation is quick and easy. Cozy Cab products are offered only through industry-leading registered dealers and distributors.
