## Can-Do Cabs.

*Efficiency. Comfort. Productivity*

Cozy Cabs are designed and built to fit your Toro machine. Easy, efficient installation and a comfortable interior lead to increased productivity. The all-steel welded construction stands up to the elements, so you don't have to. Cabs for the Multi-Pro 5800 provide 360° all-around visibility. Attention to detail in our design and construction means a safer, more stylish result for you.

### **The Cozy Cab Difference.**

Cozy Cab was born from an idea that aftermarket cabs, sunshades, and accessories should integrate with your tractor in fit, look, and function. Designed and built with quality, Cozy Cab products place a premium on efficiency, comfort, and productivity. Installation is quick and easy. Cozy Cab products are offered only through industry-leading registered dealers and distributors.
