We've Got You Covered.

Tough. Light. Easy.

When you need to avoid the sun's heat and damaging rays, Cozy Cab sunshades and bimini sunshades are more than a convenience, they're a necessity. Designed and built specially for your machine, they install quickly, with no drilling. And they're built with quality materials that repel the sun's harmful UV rays for years to come.

The Cozy Cab Difference.

Cozy Cab was born from an idea that aftermarket cabs, sunshades, and accessories should fit, look, and function like they were personally built for your tractor. Designed with intelligence and built with quality, Cozy Cab products place a premium on comfort, efficiency and productivity. Installation is quick and efficient. And like all of our products, Cozy Cab enclosures are offered only through industry-leading registered dealers and distributors.
